

To whom it may concern,

Expression of Interest to carry out an Environmental Impact Assessment Study

Dodsal Hydrocarbons & Power (Tanzania) Pvt. Ltd. (Dodsal) is soon to embark on a tender process for the provision of technical and consultancy services for carrying out and issuing an Environmental Impact Assessment (EIA) Report for drilling exploration/Appraisal wells along with testing /flaring activities in onshore Ruvu Block.

The proposed contract will cover planning, generation and delivery of EIA Report and EIA certificate. The scope will generally include the provision of report and NEMC certificate and detailed delivery schedule, site visits, generation of Terms of Reference, preparation of a scoping report, provision of background information document, regular meetings and reporting to both Dodsal and relevant Environmental authorities.

The successful/appointed contractor will need to liaise with Dodsal and be fully compliant with local content requirements.

The purpose of this advert is therefore to gauge your interest in participating in the proposed tender process and to this end; we request your written confirmation with past credentials no later than 15/9/2017. More detailed schedule and technical information will be made available as part of the detailed Invitation to Tender process.

Please contact Dodsal through email address - Sam.Skariah@dodsaldxb.ae
