Expression of Interest

Date: 9th May, 2018

1. This invitation for expression of interest follows the General Procurement Notice (GPN) which appeared in the PPRA, Tanzania Procurement Journal, Issue No. 12037 dated 19th September, 2017.
2. The Government of the United Republic of Tanzania has set aside funds for the operation of Tanzania Petroleum Development Corporation (TPDC) during the financial year 2017/18. It is intended that part of the proceeds of the fund will be used to cover eligible payment under the contract for design and supervision of workshop facilities, chemical storage shed area and working platform at Songosongo Gas Processing Plant.
3. The TPDC now invites eligible consulting firms to indicate their interest in providing the services which include but not limited to the following tasks:
 - i. Carry out a detailed assessment of the existing ground conditions with applicability in the election of workshop facilities and chemical storage shed, intended installations and their specifications.
 - ii. Analyse Client's specific requirements and prepare outline sketch proposal on the basis and approximation of construction cost for the Client preliminary approval. Review the Clients' alternative design and construction approaches under relevant building Act or Regulation.
 - iii. The consultant shall conduct a necessary land survey of the proposed site at Songosongo. (Beside NNIGP existing facilities).
 - iv. Planning, design, preparation of specifications and bid documents, bid evaluation, contract negotiations and award in accordance with local and International standards.
 - v. The Consultant shall prepare detailed design, working drawings,

construction specifications and implementation schedule.

- vi. The consultant shall prepare final cost estimates, conduct negotiations with relevant Authorities to obtain all necessary documents including building permit and associated approvals in relation to the project.
- vii. Assist the Client in all aspects of supervision of the construction works in accordance with sound technical, administrative, financial and economic practices and in accordance with the duties and responsibilities assigned to him.
- viii. Monitor, supervise and inspect the quality of the works as to ensure conformity with the Specifications, Bill of Quantities (BOQ), Drawings and design requirements.
- ix. Supervise and approve testing and commissioning of the constructed works. Perform quality control and quality assurance activities.

The duration for the consultancy assignment is 8 months.

4. Interested firms must provide information indicating that they are qualified to perform the services by submitting consultant's profile, description of at least three similar assignments, experience in similar conditions, availability of appropriate skills among staff, capacity to undertake the assignment, etc. Consultants may associate to enhance their qualifications. Interested firm should be registered with relevant bodies such as but not limited to BRELA, ERB and AQRB etc.
5. A consultant will be selected in accordance with the procedures set out in the Public Procurement Act No. 7 of 2011 and the Public Procurement Regulations, 2013 – Government Notice No. 446 (hereinafter called Procurement Regulations) as amended in 2016.
6. Selection will be conducted through the Quality and Cost Based selection procedures specified in the Public Procurement Regulations.
7. This is not a request for proposals. After a review of the expression of interest, a shortlist will be prepared, and shortlisted consultants will be invited to submit their proposals through a letter of invitation including specific terms of reference.
8. Interested eligible consultants may obtain further information from the office of the Secretary, TPDC Tender Board, Benjamin William Mkapa Towers, Tower "A", Azikiwe/Jamhuri Streets, P.O.
