#### **About Equinor Tanzania AS,**

Equinor Tanzania AS, operates license on Block 2 on behalf of TPDC and has a 65% working interest as an operator with ExxonMobil Exploration and Production Tanzania Ltd. holding the remaining 35%. Equinor is an international energy company with a proud history. We are 20,000 committed colleagues developing oil, gas, wind and solar energy in more than 30 countries worldwide. We're the largest operator in Norway, among the world's largest offshore operators, and a growing force in renewables. Driven by our Nordic urge to explore beyond the horizon, and our dedication to safety, equality and sustainability, we're building a global business on our values and the energy needs of the future.
